Algonquin park just south of the town of Whitney, Ontario, is Canada's first national park. It's a great place to go for a vacation, with its forests, lakes, and rivers.

are most common. First hard — in Algonquin and nowhere else — a reasonable facsimile of the wilderness that once covered all of Ontario?

The collage consists of four panels. The top-left panel shows two hikers on a rocky trail leading up a mountain. The top-right panel shows a person in a red life vest paddling a kayak on a lake. The bottom-left panel is a close-up of a deer's head with large antlers. The bottom-right panel shows a person looking at informational displays about Ayutthaya and Damnoen Saduak Floating Market.

gonquin Park contains numerous historical and archaeological resources and has inspired more than 40 books, 1,800 scientific papers, a dozen films, a symphony and the art of Tom Thomson and the Group of Seven. It also provides many opportunities for visitors to appreciate the Park's natural setting while enjoying numerous recreational activities.

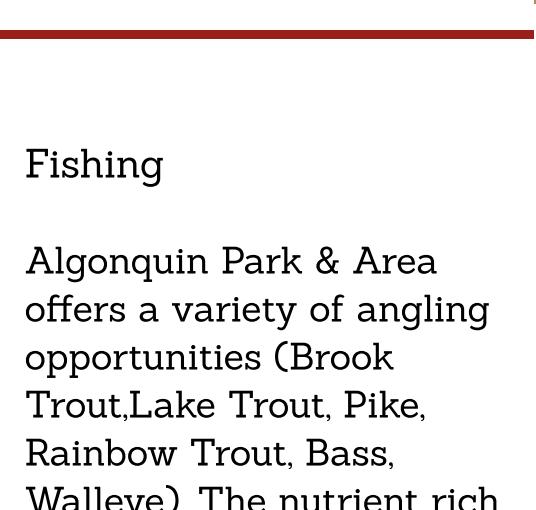

17 Hiking trails from casual to ambitious

Canoeing from paddle to portage

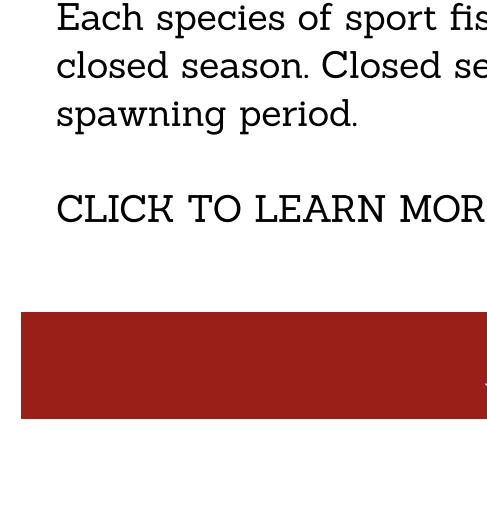

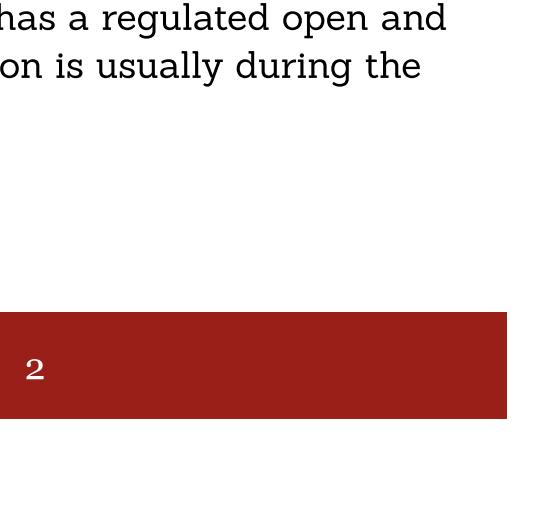

Many lakes in the area

Lakes and streams provide ideal habitat for sport fish.
